Application checklist. I have enclosed/attached the following:

My resumé and/or vita A brief paragraph about why I want to be a participant

I would prefer one free graduate credit, or a \$200 stipend

I understand that this course is designed around the Organization of American Historians (OAH) Conference in Milwaukee this April, and that I will be attending sessions and other programming from Friday evening, **April 20, 2012**, to Sunday afternoon, **April 22**. I understand that the OAH Conference is part of a larger course, with online discussion beginning **March 1** and final assignments due **May 11**. I know I must complete all elements of the program to receive my credit or stipend.

I understand that two nights' lodging is covered by the grant and is based on sharing a room.

I'd like a shared room (we'll try to accommodate your wishes about a roommate):

Set me up with a roommate. I have a roommate in mind: _____.

I'd like a single room (subject to availability). I will pay the difference between a half-share of a double occupancy and the full share of a single (likely to be \$75 additional per night)

I understand I'll receive a meal allowance of \$34 for each conference day I attend. I also understand that, if I live more than 40 miles from the conference center, I'll be eligible for an allowance to partially offset the cost of travel and parking. I know I'll be responsible for paying the \$15 per-car, per-night parking fee at the hotel upon check out, and that my travel allowance will help offset that cost. (We encourage carpooling.)
